

OUR MISSION

Why We Do What We Do

At 320 Dance, we believe dance is about so much more than learning choreography.

- ♥ It's about discovering confidence.
- ♥ It's about building character.
- ♥ It's about creating friendships.
- ♥ It's about finding a place where every child feels welcomed, encouraged, and inspired.

Every class, every rehearsal, and every performance is an opportunity for children to grow—not only as dancers, but as individuals.

Whether your dancer joins us for one class each week, performs with our Performance Team, or pursues competitive dance through PreCompany or Company, our mission remains the same:

To provide exceptional dance education in a positive, encouraging environment where every child is valued, every accomplishment is celebrated, and every dancer is inspired to *reach their fullest potential.*

We believe the lessons learned in the dance studio extend far beyond the stage. Through dedication, perseverance, teamwork, and creativity, our dancers develop skills that will serve them throughout school, future careers, and life.

Because while we love creating beautiful dancers...

Our greatest joy is helping children become confident, kind, and capable young people.

That is why we dance.

Every Dancer Has a Place.

Whether your child is stepping into their very first dance class or has years of experience, there is a place for them at 320 Dance.

Every Journey Matters.

Every dancer grows at their own pace, celebrates different milestones, and follows a unique path. We are honored to be part of each and every journey.

Every Child Belongs.

We are committed to creating a supportive, uplifting, and inclusive environment where every child feels seen, supported, and celebrated.

More Than Dance.
IT'S A FOUNDATION FOR LIFE.
