

320 DANCE Recital Guide

CELEBRATING A SEASON OF HARD WORK,
GROWTH, AND UNFORGETTABLE MEMORIES.

Every Dancer Has a Place.

Recital is more than a performance—it's a celebration of every dancer's progress, dedication, and accomplishments throughout the season. Every dancer deserves their moment to shine.

RECITAL DAY

What is Recital?

Recital is the highlight of our dance season and one of the most exciting days of the year!

It's an opportunity for every dancer to perform on stage, celebrate their accomplishments, and share everything they've learned with family and friends.

For many dancers, recital becomes one of their favorite childhood memories.

Throughout the Season

As recital approaches, families will receive detailed information regarding:

- Music
- Costumes
- Picture Week
- Tickets
- Dress Rehearsal
- Hair & Makeup
- Arrival Times
- Performance Location

We'll walk you through every step so you'll feel prepared and excited!

Costumes

Every class performs a specially choreographed routine in a professionally selected costume.

Costume information, distribution dates, and all recital details will be communicated well in advance so your family has plenty of time to prepare.

Picture Week Capturing Memories That Last a Lifetime

During Picture Week, professional recital photos will be taken during your dancer's regularly scheduled class time, making the process easy and convenient for families.

Every dancer will receive:

- One Individual Photo for each routine
- One Group Photo for each routine

These photos become wonderful keepsakes and celebrate all of the hard work your dancer has put into the season.

Dress Rehearsal

Dress Rehearsal allows dancers to:

- ✓ Become familiar with the stage
- ✓ Practice entrances and exits
- ✓ Build confidence before recital
- ✓ Experience the excitement of performing in the theater

Attendance is extremely important to help dancers feel comfortable and prepared.

Recital Day

Recital Day is a celebration!

Our goal is for every dancer to feel confident, successful, and proud of everything they've accomplished throughout the season.

We encourage families to relax, cheer loudly, take lots of photos before and after the performance, and enjoy watching their dancer shine.

320 Tip

Take a "First Recital" photo before leaving home and another after the performance. You'll love looking back and seeing how much your dancer grows from year to year!

*"The applause
lasts only a
moment...
but the confidence
your dancer gains
lasts a lifetime."*
